

琥珀环保技术（太仓）有限公司

Huber Environmental Technology (Taicang) Co.,Ltd.

[Home](#) ■ [Service](#) ■ [What we provide](#)

A complete range of services for optimum product operation

OUR QUALIFIED SERVICE ENGINEERS PROVIDE:

- Installation supervision
- Start-up service
- Operator training
- Inspection and preventive maintenance
- Fine tuning of equipment for optimum performance
- Trouble shooting
- Routine and emergency repair
- Spare parts

HUBER SERVICES ARE PROVIDED ON TWO LEVELS:

- We employ several well-trained Service Engineers and we keep spare parts in our warehouse.
- Together with our parent company: In certain cases we will have a HUBER Expert flown in from our factory in Germany.
